Students and staff have the right to expect that they will spend the school day free from the fear of bullying, harassment and intimidation. Bullying is taken seriously and is not acceptable in any form.

"Bullying is usually a repeated intimidation over time of a physical, verbal or psychological nature of a less powerful person by a more powerful person or group of persons."(Farrington, 1993)

There are seven elements to bullying:

1. A desire to inflict harm
2. The desire is expressed as a physical or verbal action.
3. The action is hurtful and plays upon student (victim) vulnerability.
4. There is power inequality
5. The actions are without justification, although the bully may try to present an argument.
6. The actions of the bullying behaviour is repeated.
7. There is evident enjoyment felt by the bully.

Bullying behaviour can be:

•**verbal** e.g. name calling, teasing, abuse, putdowns, sarcasm, insults, threats, discriminatory remarks,
